Personal Data Processing

We do not process personal data as visitors cannot submit personal information through the website. The contact form functions solely as a direct email tool to the provider. No social media plug-ins are used.

Cookies and Similar Technologies

Liquid Filtration Systems uses the following types of cookies to enhance your experience:

- **Strictly Necessary Cookies:** Essential for providing services and enabling certain website features.
- **Functional Cookies:** Personalize your experience by remembering preferences such as language and contact details.
- **Tracking Cookies:** Gather data to analyze website traffic and user behavior.
- **Targeting and Advertising Cookies:** Display advertisements tailored to your browsing habits and preferences.

You can manage your cookie preferences through your browser settings.

Purpose and Legal Basis for Processing Business Data

We process business data for:

- Handling payments,
- Sending newsletters and promotional materials,
- Contacting clients for service delivery,
- Informing about changes in services/products,
- Delivering goods and services,
- Complying with legal obligations (e.g., tax filings).

Sharing Data with Third Parties

We only share personal data with third parties when necessary to execute agreements or comply with legal requirements.

Accessing, Modifying, or Deleting Data

You have the right to:

- Access, correct, or delete your data,
- Withdraw consent for data processing,
- Object to data processing,
- Request data transfer to yourself or another organization.

Submit requests to: account@lfs-filters.com. For identity verification, include a copy of your ID and a Chamber of Commerce extract if necessary. We respond within four weeks.

Complaints can be submitted to the Dutch Data Protection Authority:
